

WHY BREED OR BUY WHEN THOUSANDS DIE?

Every year in the UK & Ireland, TENS OF THOUSANDS of dogs are **EUTHANISED** simply due to a lack of homes.

Plus thousands going in to Rescue care every year when their owners can't (or won't) care for them any longer, after being picked up as strays or handed in to Local Councils and Rescues.

If you give a damn about dogs, don't breed or buy while healthy dogs die.
